

PROBATE COURT FEE AND DISTRIBUTION SCHEDULE

February 23, 2011

This schedule outlines the fees to be charged, and the distribution of fees collected, in Michigan probate courts. The schedule has the following organization:

- (1) General Conditions Where No Fee is to be Charged;
- (2) Case Processing Fees;
- (3) Copy & Service Fees.

In determining the appropriate fee and distribution in a particular instance one should consult the section on *General Conditions Where No Fee is to be Charged* before looking for the description of the particular instance in either the *Case Processing Fees* section or the *Copy & Service Fees* section.

GENERAL CONDITIONS WHERE NO FEE IS TO BE CHARGED

- ! There are no fees where the petitioner or moving party is **indigent** or has an inability to pay and the court has waived fees based on the petitioner's affidavit. [MCL 600.880d; MCR 2.002]
- ! The Attorney General, Department of Treasury, Department of Human Services, State Public Administrator, Administrator of Veterans Affairs, and county government agencies pay no filing fees. [MCL 600.880(4);880a(2);880b(4)]
- ! There are no fees where a petition to commence a proceeding is brought under the Mental Health Code, MCL 330.1001 to 330.2106.
- ! There may be other instances where the court might exercise discretion to waive fees.
- ! There are no fees for filing an answer, response, or brief.
- ! MCR 2.119(G)(2) requires only one motion fee for all motions filed at the same time in an action regardless of the caption. MCR 2.119(G)(3)(d) prohibits a motion fee "if the motion is filed at the same time as another document in the same action as to which a fee is required." Therefore, if more than one document is filed in the same action, only one fee is due. However, the filing fee is always collected on an account, regardless of the number of accounts filed at the same time, because an account is not considered a motion. Any other document filed at the same time as an account, in the same action, would not be charged a filing fee.
